

## MAVDA Newsletter

9 March 2023 | Issue 1

### IMPORTANT DATES:

31 March, 2023 - Send RPPR forms documents to CDI(Madhu).  
24 April, 2023 - Submission of Full RPPR to to NIH-NIAID (by CDI)

Please help us keep the website up-to-date. Share recent publications, patent filings, core capabilities, resources, etc

### RECENT UPDATES

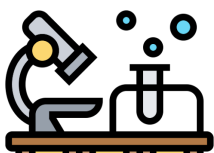

#### RPPR

Submission is due soon. Please send requested documents to Madhu/Marina @CDI.

#### Legal

Master MTA is being reviewed by the legal teams. Once executed, material/reagent transfer withing consortium members will be seamless.

#### CDD Vault MAVDA consortium members now have access to CDD Vault!

The Collaborative Drug Discovery (CDD) Vault is a complete informatics platform hosted through an intuitive interface. It helps project teams manage, analyze, and present data.
